## Personal Profile

Curious and enthusiastic coder with a passion for front end development. I pride myself on attention to detail and communication - two of my biggest strengths. Being proactive and constantly looking for new skills helps me bring designs to life with HTML, CSS and Javascript.

## Education

**University for the Creative Arts** — 2019 - 2021

- MA in Visual Communications, achieving a 2:1 for my final grade. It was during this time that my passion and enthusiasm for web development grew, mixing my creative background with a tech related interest.

**University for the Creative Arts** — 2015 - 2018

- BA (Hons) in Graphic Design: Visual Communication, specialising in visual communications. Grade - 2:1

**University for the Creative Arts** — 2012 - 2014

- UALAB Level 3 Diploma in Art and Design. Further specialisations in visual communications.

**Sir Joseph Williamsons** — 2005 - 2011

- 11 A-C GCSE's, incl. Maths, English, Art and Information Technology.

## Experience

**Personal Projects** — PRESENT

- Since finishing my MA I've completed a number of high-end portfolio projects and worked on front-end courses to stay proactive and further my coding abilities.

## Work Experience

**Retail Assistant** — 02/2019 - 01/2022

- Promoted sales and stimulated communication with clients, highlighted and ensured upselling of products, assured a high level of client satisfaction and creatively marketed stock.

*I found this role extremely useful in developing interpersonal traits and transferable skills such as communication and problem solving.*

**Customer Service** — 10/2018 - 02/2019

- Taking and forwarding client orders, key product assembly, working collaboratively as part of a team and co-ordinating as a unit.

*Time management and multitasking were key traits when it came to this position, as well as adaptability.*

## STRENGTHS

analytical · creative · proactive · detail oriented · problem solver
